

厳選した天然木の化粧単板を職人が編み全面接着した、ツキ板編み込み化粧板『ALMAJIRO』は、伝統的なデザインを様々な場所にご使用いただける化粧板です。

Almajiro woven sliced veneer is made from carefully selected natural wood strips that are woven together and fully adhered by skilled craftsmen. The traditional look of Almajiro is suitable for a variety of different environments.

触れる Touch

『ALMAJIRO』は重ね部分も接着されており、手の触れる場所でもお気軽にご使用いただけます。

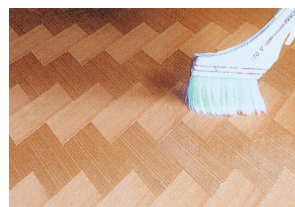

Even the overlapping parts of Almajiro are fully adhered to each other, so you can use Almajiro without concern in places it will be touched.

切れる Cut

『ALMAJIRO』は全面接着ですから、どこからでも切断や切り抜きなどの加工が簡単に行えます。

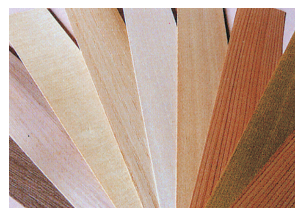

Because the wood slices that compose Almajiro are fully adhered to each other, you can easily cut it apart and cut pieces out of it any way you like.

塗れる Coating

『ALMAJIRO』は塗装溶剤に単板が引っ張られて捲れる心配がなく、容易に色々な表面塗装が可能です。

You can easily apply a variety of different types of surface coating to Almajiro without worrying about the paint or finish causing the individual slices of wood to bend back pull on each other.

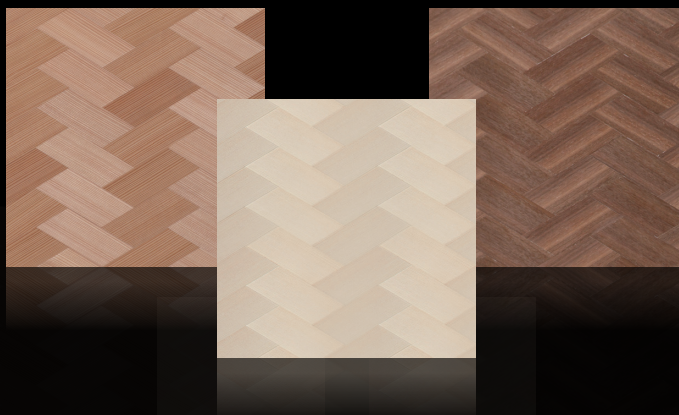

選べる Choose

『ALMAJIRO』は全面接着ですから、くるいの生じやすい堅い樹種でも、選ぶことが出来ます。

Because the wood slices that compose Almajiro are fully adhered to each other, you can select hard types of wood that usually warp easily.
